

# FINE ARTISANAL ITALIAN SALUMERIA MADE WITH BEEF AND TURKEY

Our products are made according to an ancient tradition in the heart of Parma where the finest Italian "salami" is made. We use only the highest quality beef and turkey meat and adhere to a strict control of all the ingredients as according to kosher certification. The presence of noble moulds on the salami casing is a result of the natural aging process and an indicator of quality.

We offer a range of "salami" that is gluten and lactose free perfect for those who enjoy a healthy and balanced diet without sacrificing the "joy of eating."
